

Stage One Certificate Course

Meets the BACP Core Competences for those wanting to work with Young People aged 11+

You may be aware that both the BACP and UKCP require those working with young people under the age of 18, who are adult trained or undertaking an adult training, to have evidence that they have acquired the competences to work safely, with young people.

The Aim of this training:

Is to provide you with the knowledge and skills to work with adolescents of secondary school age alongside enabling you to develop the capacity to reflect on your practice and think with others about the clinical work.

The Training Includes:

- Ethical and Professional Practice
- Child Protection and Safeguarding
- Risk Assessments
- Child and Adolescent Development and Transitions
- Communication with Young People
- Beginnings and Endings with Young People
- Mental Health and Young People
- Working in the Context of the Counselling Setting
